Scenarios of eligible aggregated basic sum assured per Life Assured

Life Assured	Aggregated Basic Sum Assured of Previous GIO Campaigns for Flexi TermLife (RM)	Current GIO Campaign	
		Aggregated Basic Sum Assured Submitted (RM)	Aggregated Basic Sum Assured Accepted (RM)
A	Nil	100,000	100,000
B	50,000	50,000	50,000
C	30,000	100,000	70,000

Note:

1. In the scenario of Life Assured C, the total aggregated basic sum assured will be at RM130,000 (RM30,000 + RM100,000). As the total aggregated basic sum assured exceeds RM100,000, this proposal will no longer be eligible for GIO and subject to normal underwriting.
2. If Life Assured C is still interested to pursue this GIO campaign, fresh GIO Acceptance Form, Sales Illustration and Amendment to Proposal Form to indicate the reduced aggregated basic sum assured are required.

10. Q: Can I perform any policy alteration in the future?

A: As long as your policy is in-force, you may reduce the basic sum assured and the reduction of basic sum assured will take effect on the next policy anniversary and subject to minimum basic sum assured allowable for Flexi TermLife. If you would like to increase your basic sum assured, you are advised to apply for a new policy. Increase of sum assured is strictly within six (6) months from policy's effective date and subject to underwriting. It will take effect from the effective date of the policy.

11. Q: Can I terminate my existing policy and take up this GIO?

A: Terminating your existing insurance policy is not advantageous to you because the surrender value, if any, may be lesser than the total amount of premium that you have paid.

It is for these reasons that you are advised to consider your decision wisely to replace your existing insurance policy. Furthermore, it is important for you to understand your needs and affordability before making a decision to purchase a new policy.

12. Q: What will happen if I die or suffer total and permanent disability due to non-accidental causes within two (2) years from the policy's effective date?

A: In such an event, your policy will be terminated from inception – treated as policy had never come into force and AmMetLife Insurance Berhad will refund the total premiums paid on the policy from the effective date without interest after deducting any amount due and any benefit paid by AmMetLife Insurance Berhad under the policy.

The refund shall be payable to yourself (in the event of total of permanent disability) or your estate (in the event of death).
