Scenarios of Eligible Annual Premium Per Life Assured:

Life Assured	Former GIO Annual Premium (RM)	Current GIO Campaign	
		Annual Premium Submitted (RM)	Annual Premium Accepted (RM)
A	Nil	60,000	60,000
B	50,000	50,000	50,000
C	100,000	200,000	150,000*

*If the total aggregated annual premium exceeds RM250,000 (example: Scenario C), the proposal will no longer be eligible for GIO and subjected to normal underwriting. If the customer is still interested to pursue the GIO plan, a fresh GIO Form with the reduced annual premium, a product illustration, and Amendment to Proposal Form to reduce the annual premium is required.

6. **Q: What is my Total & Permanent Disability (TPD) coverage term under this Guaranteed Issuance Offer?**
A: The TPD benefit under this campaign will be automatically terminated on the policy anniversary immediately preceding the age 65 next birthday of the Life Assured.

7. Q: Can I perform any policy alteration in the future?

A: As long as your policy is in-force, you may reduce your annual premium during the premium payment term strictly within 30 days prior to next premium due date and effective on next premium due date, subject to minimum annual premium of RM 50,000.

A proportion of Account Value equal to the decrease of the premium will be refunded to you. AmMetLife will deduct a surrender charge from the proportion of Account Value that is refunded to you subject to terms and conditions in the Policy Contract. The Basic Sum Assured* of the policy shall be reduced accordingly followed by the reduced in annual premium.

* The Basic Sum Assured means 125% of total premium paid under the policy. For avoidance of doubt, if there is any top up premium, it will not be used to determine the Basic Sum Assured.

8. Q: Am I eligible for this Guaranteed Issuance Offer if my health condition is not good as before?

A: This Guaranteed Issuance Offer for WealthEnrich is a special campaign from 1 January 2025 to 31 March 2025 for AmBank customers who are interested in applying for WealthEnrich plan which requires no medical and financial underwriting for an aggregated annual premium of up to RM250,000 per life under this and all previous GIO campaigns for WealthEnrich, subject to your acceptance of the terms and conditions stated in the GIO Acceptance Form.

9. Q: Can I terminate my existing policy and take up this Guaranteed Issuance Offer?

A: Terminating your existing insurance policy is not advantageous to you because the Surrender Value, if any, may be lesser than the total amount of premium that you have paid.

It is for these reasons that you are advised to consider your decision wisely to replace your existing insurance policy. Furthermore, it is important for you to understand your needs and affordability before deciding to purchase a new policy.

10. Q: Will I be entitled to this Guaranteed Issuance Offer if I already own a WealthEnrich policy with an annual premium of RM250,000 (under normal underwriting)?

A: Yes, the campaign is applicable for a maximum aggregated annual premium of RM250,000 per life accepted under this and all previous GIO campaigns for WealthEnrich and will not be aggregated with existing WealthEnrich policy/policies (under normal underwriting).

11. Q: How will AmMetLife Insurance Berhad make the refund if within two (2) years from the policy's coverage coming into force, the Life Assured dies or suffers total and permanent disability due to non-accidental causes?

A: In such an event, AmMetLife Insurance Berhad will refund the Policy Owner as follow:

- i. Any unallocated premium paid from the Effective Date; and
- ii. Any administration charges and insurance charges that have been deducted from the Effective Date; and
- iii. The Account Value based on the Unit Price at the Next Valuation Date following the date of the policy termination.

If the Policy Owner has passed away, then the refund would be paid to the legal representative of the late Policy Owner's estate.
